Defined Returns Limited - In Liquidation (the Company)

1 Introduction

1.1 Following the appointment of Martin Ellis and Andrew Hosking as Joint Liquidators of the Company on 28 September 2010 and Martin Ellis' and Andrew Hosking's subsequent resignations on 27 June 2014 and 8 December 2011, respectively, and my appointment as Liquidator of the above Company on 8 December 2011, in accordance with section 104A of the Insolvency Act 1986, I now report on the progress of the liquidation for the year ended 27 September 2016 and attach:

- Appendix A, an account of my receipts and payments for the year ended 27 September 2016 and also for the whole liquidation to date
- Appendix B, a statement of the remuneration charged by the liquidators in the period 28 September 2015 to 27 September 2016 and a statement of expenses incurred in the period
- Appendix C, an analysis of time costs as required by Statement of Insolvency Practice 9
- Appendix D, an extract from the Insolvency Rules 1986 relating to creditors' rights to request additional information from the liquidator (rule 4.49E)
- Appendix E, an extract from the Insolvency Rules 1986 relating to creditors' rights to challenge the liquidator's remuneration or expenses if excessive (rule 4.131).

1.2 Please note that I am authorised by the Insolvency Practitioners Association to act as an insolvency practitioner.

3 Progress report

Please see grantthornton.co.uk for further details.

- 3.2 As explained in my previous progress report, the sum of £13,416 has also been received from funds held by third parties prior to our appointment. These funds relate to interest held in the Company's bank accounts.

Liabilities

- 3.3 As you are aware, the Company's insolvency arose as a result of claims made by investors that the Company's literature, in respect of structured products where Lehman Brothers (Lehman) entities acted as counter-party, did not adequately warn investors as to the risks of counter-party failure.

Creditors

- 3.4 You will also be aware that, in dealing with investors' claims for compensation, the Financial Services Compensation Scheme (FSCS) has drawn a distinction between 'capital secure' and 'capital at risk' products. The legal advice I have received from Counsel has drawn no such distinction. Therefore, I consider that investors in both plans are unsecured creditors. This results in significant unsecured creditors arising as a result of the failure of Lehman entities, amounting to a theoretical maximum of c£23 million.
- 3.5 Over and above investor claims, I have received unsecured trade claims totalling £39,929. With the exception of cash at bank at the time of my appointment, the Company had no other realisable assets. At this point in time I consider it very unlikely that sufficient funds will be available to facilitate a dividend to the unsecured creditors in this case.
- 3.6 This does not affect the future recovery and distribution of dividends received from the Lehman Brothers estates, which are ring-fenced client monies and will continue to be distributed to affected investors in due course.
- 3.7 There are no preferential creditors in this matter.

4 Lehman backed financial products

- 4.1 As explained previously, investors in Lehman backed financial products are also unsecured creditors in the following Lehman entities:
- The Lehman entities providing the underlying securities on which the value of the investments was based. This could be one or a combination of three entities in respect of each plan: Lehman Brothers Securities N.V. (LBS), Lehman Brothers Treasury Co B.V. (LBT) and Lehman Brothers Bankhaus AG (LBBAG); and
 - Lehman Brothers Holdings Inc (LBHI) on the grounds that LBHI guaranteed all securities issued by LBS, LBT and LBBAG
- 4.2 Please note that depending on how the claims are dealt with by the respective Lehman entities the direct creditor may be the legal holder of the issued security. However, investors should be aware that this does not affect their position as the ultimate beneficial creditor of any subsequent distribution from Lehman entities.

Plans invested in LBS and LBT Securities

- 4.3 Some of you will have now received the first, second, third and fourth interim dividends representing distributions received from the respective trustees of LBS, LBT and LBHI. For those investors who did not receive a distribution, I advise that you either failed to return a completed questionnaire sent to the investors of the Company on 19 June 2013 and again on 12 August 2016 which enabled me to determine your eligibility for a distribution, you have previously been compensated by the FSCS, or your plan was invested in LBBAG issued securities (see below).

Lehman Entities distribution summary

- 4.4 Please find detailed below a summary of distributions received by the Company as at the date of this report:

- LBHI: £5,362,677 (representing all LBHI distributions 1-9)
- LBT: £1,934,712 (representing all LBT distributions 1-7)
- LBS: £7,056,315 (representing all LBS distributions 1-5)

- 4.5 To date I have sought to return available funds of £13,709,398 (less costs) to the respective investors, broken down as follows:

LBHI: £4,889,200 (representing LBHI distributions 1-7)
LBT: £1,763,883 (representing LBT distribution 1-5)
LBS: £7,056,315 (representing LBS distribution 1-5)

- 4.6 The balance which amounts to £644,306 represents distributions recently received.

Claims in LBBAG

- 4.7 LBBAG were not prepared to correspond with the Joint Administrators and were only willing to speak directly with the individual investors. It was the Joint Administrators' understanding at the time that this affects c.80 investors and the Directors of the Company have previously advised that all of these individuals have been contacted by the Company prior to the Joint Administrators' appointment and have lodged claims in the LBBAG insolvency.

Lehman Brothers International (Europe) (LBIE)

- 4.8 A claim against LBIE with respect to LBIE's liability for the production of misleading plan literature, used to market DRL financial products, has been made on behalf of the underlying investors and I remain in discussions with the administrators of LBIE in relation to the acceptance of this claim.

Action to be undertaken

- 4.9 I will continue to liaise with LBHI and LBT to monitor the timeframe and quantum of likely distributions and to communicate to investors.
- 4.10 In relation to monies in hand, I have instigated proceedings for calculating and distributing these monies to investors, by way of my fifth distribution, which I anticipate will be completed within 4-6 weeks.

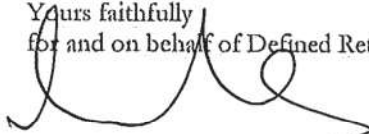

- 4.11 As regards likely future distributions, please be advised that the Trustee of LBS has advised that no further distributions are anticipated. As such, following this distribution, investments associated with this company will not receive any further distributions. We do anticipate receiving further distributions from both LBT and LBHI (the US parent company guaranteeing the securities), albeit we are not currently in a position to confirm the likely timing or quantum of these distributions.

5 Remuneration

Liquidator's remuneration and expenses

- 5.2 The amount shows total time costs representing 115,619 hours at an average of £263 per hour.
- 5.3 Total time costs incurred for this period, 28 September 2015 to 27 September 2016, are £5,808.
- 5.4 Time is charged in units of 6 minutes. Background information regarding the fees of liquidators can be found at <http://www.insolvency-practitioners.org.uk> (navigate via 'Regulation and Guidance' to 'Creditors Guides to Fees').

Yours faithfully

D An extract from the Insolvency Rules 1986 relating to creditors' rights to request additional information from the liquidator

Rule 4.49E edited for application to a progress report in a creditors' voluntary liquidation

- (1) If
 - (a) within the period mentioned in paragraph (2)
 - (i) a secured creditor, or
 - (ii) an unsecured creditor with the concurrence of at least 5% in value of the unsecured creditors (including the creditor in question), or
 - (b) with the permission of the court upon an application made within the period mentioned in paragraph (2), any unsecured creditor makes a request in writing to the liquidator for further information about remuneration or expenses set out in the progress report, the liquidator must, within 14 days of receipt of the request, comply with paragraph (3) except to the extent that the request is in respect of a matter which was previously included in a progress report.
- (2) The period referred to in paragraph (1)(a) is 21 days of receipt of the progress report.
- (3) The liquidator complies with this paragraph by either -
 - (a) providing all of the information asked for, or
 - (b) so far as the liquidator considers that
 - (i) the time or cost of preparation of the information would be excessive, or
 - (ii) disclosure of the information would be prejudicial to the conduct of the liquidation or might reasonably be expected to lead to violence against any person, or
 - (iii) the liquidator is subject to an obligation of confidentiality in respect of the information,
 giving reasons for not providing all of the information.
- (4) Any creditor, who need not be the same as the creditor who requested further information, may apply to the court within 21 days of -
 - (a) the giving by the liquidator of reasons for not providing all of the information asked for, or
 - (b) the expiry of the 14 days provided for in paragraph (1),
 and the court may make such order as it thinks just.
- (5) Without prejudice to the generality of paragraph (4), the order of the court under that paragraph may extend the period of 8 weeks provided for in Rule 4.131(1B) by such further period as the court thinks just.

E An extract from the Insolvency Rules 1986 relating to creditors' rights to challenge the liquidator's remuneration or expenses if excessive

Rule 4.131

- (1) Any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the creditors (including that creditor) or the permission of the court, may apply to the court for one or more of the orders in paragraph (4).
- (1A) Application by a creditor may be made on the grounds that -
 - (a) the remuneration charged by the liquidator,
 - (b) the basis fixed for the liquidator's remuneration under Rule 4.127, or
 - (c) expenses incurred by the liquidator,
 is or are, in all the circumstances, excessive or, in the case of an application under sub-paragraph (b), inappropriate.
- (1B) The application must, subject to any order of the court under Rule 4.49E(5), be made no later than 8 weeks (or in a case falling within Rule 4.108, 4 weeks) after receipt by the applicant of the progress report or the draft report under Rule 4.49D, which first reports the charging of the remuneration or the incurring of the expenses in question ("the relevant report").
- (2) The court may, if it thinks that no cause is shown for a reduction, dismiss the application; but it shall not do so unless the applicant has had an opportunity to attend the court for a hearing, of which he has been given at least 5 business days' notice, but which is without notice to any other party.
If the application is not dismissed under this paragraph, the court shall fix a venue for it to be heard, and give notice to the applicant accordingly.
- (3) The applicant shall, at least 14 days before the hearing, send to the liquidator a notice stating the venue and accompanied by a copy of the application, and of any evidence which the applicant intends to adduce in support of it.
- (4) If the court considers the application to be well-founded, it must make one or more of the following orders -
 - (a) an order reducing the amount of remuneration which the liquidator was entitled to charge
 - (b) an order fixing the basis of remuneration at a reduced rate or amount
 - (c) an order changing the basis of remuneration
 - (d) an order that some or all of the remuneration or expenses in question be treated as not being expenses of the liquidation
 - (e) an order that the liquidator or the liquidator's personal representative pay to the company the amount of the excess of remuneration or expenses or such part of the excess as the court may specify
 and may make any other order that it thinks just; but an order under sub-paragraph (b) or (c) may be made only in respect of periods after the period covered by the relevant report.
- (5) Unless the court orders otherwise, the costs of the application shall be paid by the applicant, and are not payable as an expense of the liquidation.
